Erratum to: Neurochem Res (2014) 39:2419–2430
DOI 10.1007/s11064-014-1446-4

In the original publication of the article, the units of rotenone and TMRM appeared incorrectly due to an inadvertent error during typesetting. Throughout the text and figures, the unit “nm” should read as “nM” when referring to the concentrations of rotenone and TMRM.

The online version of the original article can be found under doi:[10.1007/s11064-014-1446-4](https://doi.org/10.1007/s11064-014-1446-4).
