The article has been retracted by the Editor-in-Chief due to the fact that Figure 2 was copied from the earlier publication by Song et al., Involvement of autophagy in tri-ortho-cresyl phosphate-induced delayed neuropathy in hens, *Neurochem. Int.* (2014) 64:1–8 (doi:[10.1016/j.neuint.2013.10.017](https://doi.org/10.1016/j.neuint.2013.10.017)). The figure does not reflect the experiment described. The corresponding author has acknowledged this and agrees to the retraction.
