Erratum to: Nonlinear Dyn DOI [10.1007/s11071-010-9828-x](https://doi.org/10.1007/s11071-010-9828-x)

The Introduction to the original publication should have included a reference to a previous paper by the authors about the same basic model [1], explaining the difference with the new paper, where a strategy of impulsive state feedback control according to needs of

some practical problems was used, rather than systems with continuous control and periodic impulsive control in the new paper.
