Erratum to: Plasma Chem Plasma Process DOI 10.1007/s11090-016-9770-x

The original version of the article contained an error in the article title. The title is corrected as “Experimental and Theoretical Optimization of Radio Frequency Hollow Cathode Discharge” and has been updated with this erratum.

The online version of the original article can be found under doi:[10.1007/s11090-016-9770-x](https://doi.org/10.1007/s11090-016-9770-x).
