We would like to apologise for the omission in the Acknowledgements of the contribution of Sandra Roberts, Piers Harper, Tracey Kerrin, Peter Walsh and Jason Crooks for assistance with data collection during the first part of this long-term experiment. Thanks also to Kelvin Montagu and Annette Cowie, and in particular Sandra Roberts for the initial site selection and establishment of the early methodology.

The article was published in Volume 305.

The online version of the original article can be found under doi:10.1007/s11104-008-9558-8.
