The Holistic Student Report was reported online as open source. It is not. Any use in part or in whole in any form or version has to be approved in writing. If you are interested in the use of the instrument, please contact Dr. Gil Noam at gil_noam@harvard.edu.

The authors regret the oversight.

The online version of the original article can be found at <https://doi.org/10.1007/s11121-017-0794-0>
