Unfortunately, in the original publication of the article, the variables of “Dental Self-Care” and “Dental Visiting” have been inadvertently swapped in Table 4. The correct version of the table is provided in this erratum (Table 4).

The online version of the original article can be found under doi:[10.1007/s11136-015-1089-1](https://doi.org/10.1007/s11136-015-1089-1).
