The Issue of Knowledge, Comfort and Motivation

Knowing who, what, where and how are just the basic ingredients for a successful banquet. Two important items to be added as entrées are the issues of comfort and utilization. However, the special part of the process is the comfort and motivation level that lead to the actual application of the knowledge. This theme runs throughout the scholarly writings found in this issue. We hope you enjoy your meal.

Sexuality and Disability provides original impact articles addressing the mental health and medical aspects of sexuality in relation to rehabilitation, hospital, academic and community settings, publishing up-to-date articles, case studies, clinical practice reports, reviews, featured articles, historical articles, special grand rounds topics, brief research reports and survey data reports. Value benefit is provided to authors through worldwide electronic exposure and professional access, while readership gains from scholarly contributions to advance the field through research, best-practice and educational articles. The refined lens of individual contributions from the local and international community continues to deliver a wealth of information on the topic of sexuality and disability for the reader.
