ERRATUM

To the article "Limiting Soil Resistance to the Transverse Displacement of a Pipeline," by V. G. Fedorovskii, No. 3, pp. 81-91, 2009.

Figures 5 and 6 should read as follows:

Fig. 5. B. Hansen's rendering of movement of ideally cohesive soil past pile [13]. One-fourth of section is shown, and remainder constructed based on symmetry.

Fig. 6. Simplified diagram of ideally cohesive soil moving past pile.
