The Editor-in-Chief of *Social Indicators Research* retracts this article (Mar 2016) per the Committee on Publication Ethics (COPE) guidelines on plagiarism, due to unattributed use of substantial portions of text from the following article, by Dewilde, Individual and institutional determinants of multidimensional poverty: A European comparison (*Social Indicators Research* 2008; 86:233–256; Springer, DOI: [10.1007/s11205-007-9106-6](https://doi.org/10.1007/s11205-007-9106-6)). The Editor-in-Chief takes issues of research and publication misconduct seriously in order to preserve the integrity of the academic record. Our apologies are extended to the readers that this issue was not discovered before publication.

The online version of this article contains the full text of the retracted article as electronic supplementary material.

Electronic supplementary material The online version of this article (doi:[10.1007/s11205-016-1296-3](https://doi.org/10.1007/s11205-016-1296-3)) contains supplementary material, which is available to authorized users.
