Erratum to: Solar Phys DOI [10.1007/s11207-012-9936-5](https://doi.org/10.1007/s11207-012-9936-5)

In the article, proper citation should have been given to the previous work of Byrne *et al.* (2009, 2010), in which they developed an ellipsoidal tracking technique and applied it to the CME event on 12 December 2008. The authors apologize for this omission.
