We regret that a clerical error in the late stage of editing of the paper resulted in the omission of the Acknowledgements. The Acknowledgements are provided here.

Acknowledgements The authors acknowledge support by Grant Agency of the Czech Republic, Grant No. P209/12/1652. The authors benefited greatly from participation in the International Team 276 funded by the International Space Science Institute (ISSI) in Bern, Switzerland. CHIANTI is a collaborative project involving the NRL (USA), the University of Cambridge (UK), the George Mason University (USA), and the University of Michigan (USA). It is a great spectroscopic database and software, and the authors are very grateful for its existence and availability.
