ERRATUM

In V. S. Kirchanov “Applying the Linblad equation to quantum dissipative systems” (Vol. 148, No. 2, August, 2006) on page 1117, the author’s affiliation should be Perm State Technical University.

In formulas (3.5), (3.18), and (3.19) on pages 1120 and 1121, the upper integration limit should be t and not unity.

The Editorial Board apologizes for these errors.
