ERRATUM

TO THE ARTICLE “MULTIFRACTAL ANALYSIS OF SINGULARLY CONTINUOUS PROBABILITY MEASURES” BY H. M. TORBIN [UKRAINIAN MATHEMATICAL JOURNAL, 57, NO. 5, 837–857 (2005)]

Due to typesetter's mistake, a consistent error was introduced into the English version of the article, namely, all instances of $\overline{\lim}$ in the Ukrainian version were rendered as $\liminf$, and, correspondingly, all instances of $\underline{\lim}$ were rendered as $\limsup$. Thus, the following correction should be made:

Throughout the article, all instances of $\liminf$ should be read as $\limsup$, and, vice versa, all instances of $\limsup$ should be read as $\liminf$.

The following correction should also be made:

Page 846, line 6: The denominator on the left-hand side should be changed to $\ln \delta$.

We apologize for the inconvenience.
