Three inadvertent post publication errors were noted in the Commentary section of the aforementioned editorial. The corrections are outlined below:

- 5th sentence of 2nd paragraph (2nd page): ‘28% women’ should read ‘28 pregnant women’.
- 1st sentence of 4th paragraph (2nd page): ‘are remarkable’ should read ‘is remarkable’.
- 2nd sentence of 5th paragraph (3rd page): ‘this single-case series’ should read ‘this single case series’.
