Correction to: Water Air Soil Pollut

<https://doi.org/10.1007/s11270-018-3896-9>

In the original publication, the numbers 289 and 290 were added in Table 1 footnote. The table footnote should read “Flow-rates are shown as the mean value ($n = 5$) $\pm$ standard deviation. USWR urban storm-water runoff”.

The original publication was updated.
