The legends for Fig. 1 and Fig. 2 of this article were transposed by mistake. The correct figure legends are as follows:

Fig. 1. The locations of investigated parks (○) in the 23 wards of Tokyo and those in Chiba City, Japan.

Fig. 2. Regression of the \log_{10} number of ant species in a park vs the \log_{10} area of the park in Tokyo (●) ($y=0.3188x-0.1968$; $R^2=0.6191$) and in Chiba (○) ($y=0.1344x+0.5843$; $R^2=0.2197$).
