Nitrogen-stable isotopic signatures of basal food items, primary consumers and omnivores in rivers with different levels of human impact

Published online: 21 June 2008
© The Ecological Society of Japan 2008

Erratum to: Ecol Res
DOI 10.1007/s11284-008-0489-x

In this article the ‰ symbol should have been used instead of the % symbol *except* in the first paragraph of the “Results” section and in all occurrences of terms such as “‰paddy”, “‰residential” and “‰forest”, where it was used correctly.

The online version of the original article can be found under doi:[10.1007/s11284-008-0489-x](https://doi.org/10.1007/s11284-008-0489-x).
