ANNOUNCEMENT RE: A SURVEY OF THE SOURCES OF NOISE IN FMRI
DOI [10.1007/S11336-012-9294-0](https://doi.org/10.1007/S11336-012-9294-0)

This article was intended to be the first article in the special ARCS section on fMRI, published in v78n2. It was accidentally omitted due to an error in the production process, and is therefore being printed in v78n3 instead.
