The original version of the article unfortunately contained mistakes. In Table 1, the data “institutional setting” was seen twice in the Structural/international level. The correct information and presentation of Table 1 is given below:

Table 1 Levels and areas of sources of power

State/government level:	Structural/international level:	Societal level:
Military	Institutional setting	Soft power
Economy	Geopolitical position	Domestic legitimacy
National performance	Geo-economical position
