Retraction Note to: Microenvironment characterization for a novel biocompatible hybrid carbon-silicon material

SUI XiHua^{*}, ZHA QingFang^{*}, WU MingBo & GUO YanSheng

Retraction to:

Science in China Series B: Chemistry, 2009, 52: 1120–1127
doi: 10.1007/s11426-009-0149-1

This article has been retracted at the request of the authors because major parts of the work were previously published in *Chemistry of Materials* in 2006, 18, 887–896. (Authors WU MingBo and GUO YanSheng were not aware of the article submitted to *Science in China Series B: Chemistry*.)

The online version of the original article can be found under doi: 10.1007/s11426-009-0149-1
