In the html abstract portion of the online publication of “Dynamic Model of the Process of Protein Synthesis in Eukaryotic Cells” (DOI: 10.1007/s11538-006-9128-2) the last names of the authors were mistakenly misspelled. In addition, the e-mail address for the corresponding author was incorrect in both the html abstract portion of the online publication as well as the initial online pdf. The authors’ names should have appeared as above, and the correct e-mail address for Nadav Skjøndal-Bar is barc@itk.ntnu.no Springer regrets the errors.
