

Existence of g_{g-2}^1 's on a double covering of a hyperelliptic curve

Rossana Chiavacci · Elena Polastri

Published online: 6 November 2007
© Università degli Studi di Ferrara 2007

Erratum to: Ann Univ Ferrara (2007) 53(1):29–37
DOI 10.1007/s11565-007-0003-3

The original version of this article unfortunately contained a mistake.

In page 33, line 3, equation “ $W_{g-k}^2 \neq \emptyset > W_{g-(k-1)}^2 \neq \emptyset > \dots > W_{g-2}^2 \neq \emptyset$ ” should be changed to, “ $W_{g-k}^2 \neq \emptyset \Rightarrow W_{g-(k-1)}^2 \neq \emptyset \Rightarrow \dots \Rightarrow W_{g-2}^2 \neq \emptyset$ ”.

The online version of the original article can be found under doi:10.1007/s11565-007-0003-3.
