CLC number: P315.5

Document code: R

For showing the epicentral distribution in and near China as well as all over the world, two epicentral maps for the earthquakes occurred last year are published annually in the 6-th issue each year. Figures 1 and 2 represent the epicentral distributions in and near China and all over the world in 2007, respectively.

Figure 1 Epicentral distribution in and near China in 2007

Figure 2 Epicentral distribution all over the world in 2007
