The Journal Editors have retracted the article “Does the hepatic branch of vagus mediate the secretion of glucagon-like peptide-1 during the Roux-en-Y gastric bypass surgery”, by Nian-Cun Qiu, Miao-E Liu, Bin Wang, Xin Song, Ying Jiang, Juan Wang, Zi-Qun Gu, Cheng-Xiang Shan, and Ming Qiu, which was published in *Journal of Gastrointestinal Surgery*, Volume 18, No. 11, 2014 pp 1957-1964. This is due to considerable overlap with the article “Impact of the hepatic branch of the vagus and Roux-en Y gastric bypass on the hypoglycemic effect and glucagon-like peptide-1 in rats with type 2 diabetes mellitus”, by Nian-Cun Qiu, Qin Zhang, Xin Song, Miao-E Liu, Xiao-Ke Li, Cheng-Xiang Shan, and Ming Qiu which was published in *Journal of Surgical Research*, Volume 191, Issue 1, 2014, pp 123-129.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s11605-014-2632-z>.
