On page 2 of the original publication, the caption for Figure 1 reads: "Figure 1. CT scan of the abdomen showing two large stones (thick arrow) in the gallbladder (thin arrow) and evidence of thickening of the gallbladder wall." The revised version below clarifies that each arrow points to a stone, rather than that the thin arrow points to the gallbladder itself. The revised caption should read: "Figure 1. CT scan of the abdomen showing two large stones (thick arrow, thin arrow) in the gallbladder and evidence of thickening of the gallbladder wall."
