Erratum to: In Vitro Cell.Dev.Biol.-Animal
DOI 10.1007/s11626-013-9642-0

In the Discussion section, second to the last paragraph, third sentence from the end, “*MSTN*” was inadvertently written with a wrong acronym “MRFs”. As a result, the sentence should have read “In comparison to fibroblasts, we also observed lower abundance of transcripts of *MSTN* in all the myogenic cell types” rather than “transcripts of MRFs” as published. All other sentences in the article are correct.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s11626-013-9642-0>.
