I. ERRATUM TO: METALLURGICAL AND MATERIALS TRANSACTIONS 39B (2008) 469–483 DOI 10.1007/S11663-008-9149-3

THE author has found errors in figures 12, 13, and 14 of this manuscript. The correct figures follow:

Fig. 12—Isopressure field simulation for the Pb-35 wt pct Sn dendrite at different perturbations for solid fractions of 0.11.
