1. Erratum to: J. of Materi Eng and Perform DOI 10.1007/s11665-013-0860-0

In the paper titled “Effect of Al-5Ti-1B-1Re on the microstructure and hot crack of as-cast Al-Zn-Mg-Cu alloy”, Ref 24 was not cited in the figure title of Fig.10: DSC curve of Al-5Ti-1B-1Re master alloy. This has been corrected in this erratum.
