Erratum to: OBESITY SURGERY DOI 10.1007/s11695-016-2445-0

A number of errors in referencing were present in the original article. Below are the correct references and their locations in the article.

On the third page of the article, right-hand column, thirteen lines from the top of the page the correct references should be [14, 32, 30].

On the fourth page of the article, left-hand column, six lines from the top of the page the correct references should be [51–54].

On the fourth page of the article, left-hand column, eight lines from the top of the page the correct reference should be [55].

On the fourth page of the article, left-hand column, thirteen lines from the top of the page the correct references should be [56,57].

The online version of the original article can be found at <http://dx.doi.org/10.1007/s11695-016-2445-0>
