The Editors-in-Chief retract the above-mentioned article. Upon investigation carried out according to the Committee on Publication Ethics guidelines on plagiarism, it has been found that the authors have duplicated substantial parts from the following article: Intercalation of methylene blue into montmorillonite at different conditions: An approach for preparing clay-based nanopigments. Validi M, Bazgir S, Rashidi A, Yazdanshenas M E, *Ceramics-Silikaty*, 2012, 56(2): 152–158, INST CHEMICAL TECHNOLOGY, DEPT CLASS CERAMICS. The Editors-in-Chief take issues of research and publication misconduct seriously in order to preserve the integrity of the academic record.
