The authors regret that there was an error in the paper (Page 475, Section 3) describing the outfall database. It is not hosted by the first author at NTU. The correct statement should be: outfall database (<http://www.outfalls.net.ms/>, initiated by Prof. Gerhard Jirka at Karlsruhe Institute of Technology and maintained by Prof. Tobias Bleninger before 2014). The authors would like to apologize for any inconvenience caused.
