DOI 10.1007/s11738-016-2233-4

In the “Conclusions” section an accidental erroneous occurrence of “influx rate” should be replaced by “efflux rate”. The corrected sentence reads:

“Recently, the presented approach was successfully applied to quantitatively describe effective diffusion rates and correlations between growth and proton efflux rates in *Zea mays* L. (Pietruszka and Haduch-Sendecka 2016).”
