Erratum to: J Cancer Surviv
DOI 10.1007/s11764-014-0422-y

The authors would like to correct the following errors in the original publication:

1. In the first line below the heading “Other data sources”, the correct text should read as “Prof. King, University of Sydney” (earlier published as “The lead investigator, University of Sydney”).
2. In the eighth line below the same heading, the correct text should read as “No attempt was made to match the general population sample to the SurvivorCare sample on factors predictive of poorer outcomes (age, sex and marital status) [26]” (earlier published as “As sample characteristics from the general population were unavailable, it was not possible to match them with the SurvivorCare sample on factors predictive of poorer outcomes (age, sex and marital status) [26]”).
