Erratum to: J Cancer Surviv.
DOI 10.1007/s11764-015-0510-7.

The author and publisher regret an error in the conclusion section of the Abstract. The sentence “14% of recent Australian cancer survivors report continued smoking” should be replaced by the following: “Of recent Australian cancer survivors who were smokers, 14% reported that they never expected to quit smoking”

The online version of the original article can be found at <http://dx.doi.org/10.1007/s11764-015-0510-7>
