Erratum: Statistically Modeled Adsorption Isotherms for the Multilayer Gas Molecules Adsorbed on Non-porous Solid Adsorbents of Two and Three Groups Sites [Korean J. Chem. Eng., 17(2), 156 (2000)]

Daekyoum Kim[†]

Chem. Eng. Depart., Hanyang University, 17 Haengdang-dong, Sungdong-gu, Seoul, Korea

The standard error equation in line 11 on page 162 of the above article should be changed to the correct one as (standard error equation):

$$\text{error } (\sigma) = \sqrt{\frac{\sum_{i=1}^n (\text{experimental data} - \text{equation value})_i^2}{n}}$$

However, all calculations were carried out with this correct one in the above article.
