Marcus DA: Epidemiology of Cancer Pain. *Curr Pain Headache Rep* 2011, 15:231–34.

This article was published in the August 2011 issue of *Current Pain and Headache Reports* (volume 15, issue 4).

On page 232, there is an inaccuracy in the report of data from a study. It is stated that, “A survey of 312 Chinese American oncology patients likewise identified frequent or persistent pain in 52% of patients. [9]” The correct prevalence from the cited reference is 57%.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s11916-0111-0208-0>.
