We wish to apologize for a incorrectly cited reference in our article, High Rate of Ceramic Sandwich Liner Fracture published in Clinical Orthopaedics and Related Research in 2012, Volume 470, pages 1705–1720. Reference 8, as we

cited in the text and in Table 4, by Ha et al. is incorrect. The correct citation should be Ha YC, Kim SY, Kim HJ, Yoo JJ, Koo KH. Ceramic liner fractures after cementless alumina-on-alumina total hip arthroplasty. *Clin Orthop Relat Res.* 2007;458:106–110.

We apologize for this error and thank Dr. Ha for bringing this error to our attention.
