Erratum to: Clin Orthop Relat Res (2013) 471:1957–1963 DOI 10.1007/s11999-012-2721-9

In Table 4 in the *Results* section, the mean changes of ROM from preoperative to followup for the normal, overweight, and obese groups are incorrect as published. The mean change in ROM for the normal group should

be -1° . The mean change in ROM for the overweight group should be 0. The mean change in ROM for the obese group should be 0.

Additionally, in Table 5 in the *Discussion* section, the postoperative ROM for the severely obese group in the Current Study should be 110° .

The authors apologize for these errors.
