Erratum to: Biol Trace Elem Res (2012) 145:127–135
DOI 10.1007/s12011-011-9177-8

The original version of this article unfortunately contained two mistakes.

1. In Figure 1c, the Ascissa should read “Urinary iron concentration ($\mu\text{g/L}$)”, instead of “ Urinary selenium concentration ($\mu\text{g/L}$)”.
2. A missing number has been found in table 3, which is the maximum of urinary I. The missing number should be 1,115 in our previous version

The online version of the original article can be found at <http://dx.doi.org/10.1007/s12011-011-9177-8>.
