The original version of this article unfortunately contained a typing mistake in the formula given for 4 % FCM under the Table 1. The correct formula used for calculation of 4%FCM was “4% FCM = [(yield × 0.4) + (fat yield × 15)]. The Original formula ”4% FCM = [(yield × 0.4) + (yield × fat yield) × 15] is incorrect and should be deleted.
