Erratum to: Endocr Pathol (2010) 21:130–134
DOI 10.1007/s12022-010-9110-2

To the readership: Figures were incorrectly published in the above-mentioned article (p132), although figure legends were correct.

Figure 2 must be changed as Figure 3. The legend is below. Photomicrograph of the surgical specimen showing weak but distinctive expression of somatostatin in the cytoplasm. Original magnification x 200.

Figure 3 must be changed as Figure 2. The legend is below. Photomicrograph of the surgical specimen showing significant positive reaction to Ki-67. Staining was also seen in cytoplasm and cell membrane. Labeling index is more than 18%. Original magnification x 80.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s12022-010-9110-2>.
