Erratum to: Endocr Pathol
DOI 10.1007/s12022-014-9328-5

The original version of the article unfortunately contains mistakes on Figure 6 caption and hereby the authors have corrected these to state:

Fig. 6 Immunohistochemical examination to the second surgical specimen showed positive reaction to cytokeratin 8 (**a**), whereas negative reaction to cytokeratin 20 (**b**). Immunohistochemical examination to the third surgical specimen showed negative reaction both to cytokeratin 8 (**c**), and cytokeratin 20 (**d**). Original magnification x200
