This article has been retracted at the request of the Editor-in-Chief and the Publisher. The article shows evidence of irregularities in authorship during the submission process, there is strong reason to believe that the peer review process was compromised and the authors have plagiarized parts from the following articles:

* Hanchun Chen, Qiong Lu, Xifeng Fei, Likui Shen, Dongyi Jiang, Dongwei Dai, miR-22 inhibits the proliferation, motility, and invasion of human glioblastoma cells by directly targeting SIRT1, *Tumor Biology*, May 2016, Volume 37, Issue 5, pp 6761-6768, DOI: 10.1007/s13277-015-4575-8 Received: 14 November 2015

* Xinzhi Wang, Zhenxue Xin, Yinfu Xu, Jinbang Ma, Upregulated miRNA-622 inhibited cell proliferation, motility, and invasion via repressing Kirsten rat sarcoma in glioblastoma, *Tumor Biology*, May 2016, Volume 37, Issue 5, pp 5963-5970, DOI: 10.1007/s13277-015-4455-2 Received: 30 October 2015

As such the validity of the content of this article cannot be verified.

The online version of this article contains the full text of the retracted article as electronic supplementary material.

Electronic supplementary material The online version of this article (doi:10.1007/s12035-016-9837-y) contains supplementary material, which is available to authorized users.
