This article has been retracted at the request of the Editor-in-Chief and the Publisher per the Committee on Publication Ethics guidelines. The article shows evidence of irregularities in authorship.

During the submission process, there is strong reason to believe that the peer review process was compromised and the authors have plagiarized parts from the following article:

Shunzeng Lv, Congxin Dai, Yuting Liu, Bowen Sun, Ranran Shi, Mingzhi Han, Ruixiang Bian, Renzhi Wang, Cell Surface Protein C23 Affects EGF-EGFR Induced Activation of ERK and PI3K-AKT Pathways, Journal of Molecular Neuroscience, February 2015, Volume 55, Issue 2, pp. 519–524, DOI: [10.1007/s12031-014-0375-7](https://doi.org/10.1007/s12031-014-0375-7); Received: 26 June 2014.

As such, the validity of the content of this article cannot be verified.
