In the original article, the authors failed to cite the study by Kose M et al. entitled “The efficacy of nebulized salbutamol, magnesium sulfate and salbutamol/magnesium sulfate combination in moderate bronchiolitis. Eur J Pediatr 2014;173: 1157-1160” as the first in literature to assess the efficacy of magnesium sulfate in the treatment of acute bronchiolitis. The authors apologize for this unintentional omission.
