The article “Age-period-cohort analysis of female breast cancer mortality in Korea” by Yunhee Choi, Yeonju Kim, Sue Kyung Park, Hai-Rim Shin and Keun-Young Yoo was published in *Breast Cancer* in 2006 (Vol. 13, No. 3, pp. 266–271, doi:[10.2325/jbcs.13.266](https://doi.org/10.2325/jbcs.13.266)). Dr. Choi subsequently

informed the editors of this journal that critical data in the article were not valid. Specifically, major errors were found in Table 2, which formed a key part of the article. Accordingly, the article is being editorially retracted, with an apology.
