In the article entitled “Humor and laughter in patients with cerebellar degeneration” by *Benedikt Frank, Björn Propson, Sophia Göricke, Heike Jacobi, Barbara Wild and Dagmar Timmann*, the source of the image used was omitted to mention in Figure 3. This image was adapted from <http://en.wikipedia.org/wiki/File:CerebellumDiv.png>.

The legend of Figure 3 should thus read as follows:

Means and standard deviations of the volume of cerebellar subdivisions in the group of patients with cerebellar degeneration expressed as percentage of the corresponding mean values of the control group. Top part: adapted from <http://en.wikipedia.org/wiki/File:CerebellumDiv.png>”

The online version of the original article can be found at <http://dx.doi.org/10.1007/s12311-011-0320-z>.
