

JOURNAL OF NUCLEAR CARDIOLOGY NEWS UPDATE

CALENDAR

Please note that the programs listed below are sponsored or cosponsored by the American Society of Nuclear Cardiology (ASNC). For more information, visit the ASNC Web site (<http://www.asnc.org/event.cfm>)

September 7-8, 2011. Nuclear Cardiology Board Exam Preparation Course. Denver, CO.

September 7-8, 2011. Nuclear Cardiology for the Working Technologist. Denver, CO.

September 8, 2011. Nuclear Cardiology for Nurses and Nurse Practitioners. Denver, CO.

September 8-11, 2011. ASNC2011: The 16th Annual Scientific Session of the American Society of Nuclear Cardiology. Denver, CO.

September 11, 2011. Multi-Modality Symposium. Denver, CO.

September 23-24, 2011. Nuclear Cardiology Physics and Fundamentals. Washington, DC.

September 28-30, 2011. ALASBIMN/SBBMN/ASNC Nuclear Cardiology Symposium. Porto de Galinhas, Brazil.

ASNC would also like to provide a reminder about the following deadlines for the certification exams in cardiovascular computed tomography and nuclear cardiology.

Certification Board of Cardiovascular Computed Tomography Exam

www.cbctt.org

Late application deadline: August 5, 2011

Final withdrawal deadline: September 23, 2011

Examination dates: October 4-5, 2011

Certification Board of Nuclear Cardiology Exam

www.cbnc.org

Regular certification application deadline: July 25, 2011

Regular recertification application deadline: August 22, 2011

Late certification/recertification application deadline: October 3, 2011

Final withdrawal deadline: November 23, 2011

Examination dates: December 6-12, 2011
