ERRATUM TO: J NUCL CARDIOL 2015;22:385–7 DOI:10.1007/S12350-014-0028-9

Figure 1 was distorted during production and appears distorted in the published article. The corrected Figure 1 appears below.

Figure 1. Case 1. Stress Tc-99m sestamibi SPECT images showing normal myocardial perfusion. There is an extracardiac mass seen in the short-axis slices (*arrows*).

The online version of the original article can be found under doi:10.1007/s12350-014-0028-9.
